

CLASS OF 2026 WARRIOR MONTHLY

March, 2026

One quarter to go!

I've mentioned it several times in this newsletter, but after 13 years of school—the vast majority of your lives—you only have one term of Year 13 left, and then graduation! We all know that senior year blues are real. The good news is, you should push yourselves to finish one more term. This is your time to shine! Enjoy every minute, seniors!

PRINCIPAL'S CORNER

HIGH SCHOOL SENIORS!

Their last spring break of high school is just around the corner, and after that, they only have 8 weeks to go! This is their time to stay motivated, push themselves, and keep their eyes on their goals. Whether it's graduation, college, a new job, or another big step, everything they've worked for is within reach, so don't get discouraged now! Keep their eyes on the prize.

Enjoy your last spring break of high school, recharge your batteries, and come back ready to finish the year strong. The best is yet to come!

We believe in each and every one of you!

With love,

Mrs. Lynch
