NOVEMBER OF YOUR SENIOR YEAR

Hey Seniors,

You are always told how fast high school goes, and senior year is the fastest year of them all! It is already November!!

There is a lot going on right now, in addition to regular school and making sure you are doing what you need to walk that stage and graduate. College and scholarship applications are in full swing, and we are already doing FAFSA's and CASFA's, with many of you already completing these!!

It can feel like a lot, and it can be overwhelming, **LET US HELP YOU!**

If you have not been to the Future Center yet, make an appointment TODAY!!!!

Let's make this year count. Stay focused, stay on top of your deadlines, and remember that the finish line is closer than you think. You've got this!

PRINCIPAL'S CORNER

SENIORS! We are in the final stretch of the semester, and now more than ever, your focus matters. Finishing strong means staying on top of your classes, earning passing grades, and meeting attendance expectations—these are the keys to walking across that graduation stage on May 19th!. Remember, every day counts, and it's never too late to turn things around. Don't give up—stay committed, ask for help when you need it, and keep your eyes on the goal. Graduation is within reach, and you have what it takes to get there! Don't forget to follow me on IG @principal_montbellahs! I will be posting a ton of Class of 2026 stuff 2nd semester!
