## 4 More Months!!

Senior year truly does fly by, we are 1 month into the final semester of high school. Spring is around the corner, and with it, graduation, you are at the end, don't stop now!

This last semester will go quick, and we have a ton of fun activities planned. You have been in school for at least 12 years (13 if you did kindergarten, and even more if you did pre-k). As you complete your final semester, reflect on the skills you have learned and continue to prepare for your next chapter, we are here to support you as always!!!

Check the dates at the bottom of this newsletter, we have lots of exciting updates!!

## PRINCIPAL'S CORNER

Can you believe it's already February? Senior year is flying by, and graduation is just around the corner. This is an exciting time, but it's also a time to stay focused and intentional about your goals.

Right now, it's more important than ever to keep your eyes on the prize: finishing strong. That means:

- **Attendance:** Every day counts. Being present in class not only helps your grades but also keeps you connected to your teachers and peers. Missing even a few days can make it harder to stay on track.
- **Grades:** Stay on top of assignments, ask for help when you need it, and make sure your teachers know you're committed to finishing strong. Your grades now impact your graduation and future opportunities.
- **Support:** Don't be afraid to reach out. Counselors, teachers, and staff are here to help you navigate any challenges—academic, personal, or social. You are not alone.
- **Focus:** Distractions are everywhere, but remember why you started. Keep your goals in mind and prioritize what will help you cross that stage with pride.

We believe in each and every one of you. Your hard work, resilience, and dedication have brought you this far, and now it's time to give this final stretch your all. Graduation isn't just a date on the calendar—it's a celebration of all you've accomplished, and we want to see you there, proud and ready to step into your next chapter.

---

Class of 2026, we love and support you. Keep pushing, stay focused, and finish strong—you've got this!

With pride and encouragement! Make it a great day or not, the choice is absolutely up to you!

Mrs. Lynch
