## CLASS OF 2026

Welcome to the year 2026!!!

Senior year truly does fly by, you have spent years hearing that 2026 is the year you will graduate, and you have now reached 2026!

This last semester will go quick, and we have a ton of fun activities planned. You have been in school for at least 12 years (13 if you did kindergarten, and even more if you did pre-k). As you complete your final semester, reflect on the skills you have learned and continue to prepare for your next chapter, we are here to support you as always!!!

There is a lot going on right now, in addition to regular school and making sure you are doing what you need to walk that stage and graduate. College and scholarship applications are in full swing, and we are already doing FAFSA's and CASFA's, with many of you already completing these!!

It can feel like a lot, and it can be overwhelming, **LET US HELP YOU!**

If you have not been to the Future Center yet, make an appointment TODAY!!!!

Let's make this year count. Stay focused, stay on top of your deadlines, and remember that the finish line is closer than you think. You've got this!

## PRINCIPAL'S CORNER

Seniors! Happy 2026! In just five months, you'll be crossing a major milestone—graduating from Montbello High School! As we get closer to the big day, make sure you're on track with your assignments, exams, and any final requirements. Take advantage of any resources that we are offering to help with your transition into life after graduation, whether it's college, career, or another path.

This is a time to celebrate your hard work, growth, and achievements, so let's finish strong together. We're almost there—let's make these final months count! We believe in you!
