OCTOBER OF YOUR SENIOR YEAR

Hey Seniors,

Hope you're all settling into the swing of things! The year is in full gear now, and this is a crucial time to buckle down and focus on what's ahead. Senior Contracts have been submitted, and the year is already moving fast!

First up, **attendance is everything**. The habit of showing up every day, on time, is going to be your superpower this year—both for keeping your grades on track and for preparing for life after graduation.

Now, let's talk about the future. For those of you heading to college, your **applications** should be a top priority. Don't procrastinate! Many deadlines are right around the corner. If you need help with essays, transcripts, or letters of recommendation, talk to your counselor now.

And finally, a huge reminder about financial aid. The **FAFSA** (Free Application for Federal Student Aid) and **CASFA** are open. This is your key to grants, scholarships, and loans. You've got to fill these out if you want to be considered for financial help. Don't wait—get your forms submitted.

DSF AND YOUR COUNSELORS WILL HELP!!

Let's make this year count. Stay focused, stay on top of your deadlines, and remember that the finish line is closer than you think. You've got this!

PRINCIPAL'S CORNER

Hi Hi Hi Seniors!

October is one of the most exciting months of your final year, and you deserve to soak up every moment of it! Between the energy of Homecoming and the [spookiness](#) of Trick or Treat Street, there are memories waiting to be made—so say yes to the fun, show up for the spirit, and make this year unforgettable. But remember, the best way to enjoy the celebrations is to stay on top of your classes. Don't let deadlines creep up like Halloween ghosts—handle your business now so you can enjoy the good times guilt-free. And if you start feeling overwhelmed, don't wait—reach out for support! This is YOUR year, and we're here to make sure it's both epic and successful.

Hugs - Ms. Lynch
